PT

A **C&A Chama** desenha, desenvolve e produz equipamentos a biomassa.

Resultado de uma experiência de mais de 20 anos no setor, em 2016 reinventa-se e cria uma nova unidade industrial na região de Aveiro. O profundo conhecimento, aliado ao enorme investimento em todo o processo produtivo dotam-nos de uma maior autonomia, eficácia e rapidez.

O reconhecimento do mercado levou à conquista de um vasto leque de clientes e fornecedores. Assim, temos como principal foco a satisfação do cliente e a garantia de qualidade dos nossos produtos.

ES

C&A Chama diseña, desarrolla y produce equipos de biomasa.

Fruto de más de 20 años de experiencia en el sector, en 2016 se reinventó y creó una nueva nave industrial en la región de Aveiro. El conocimiento profundo, combinado con la enorme inversión en todo el proceso de producción nos dota de una mayor autonomía, eficacia y rapidez.

El reconocimiento del mercado llevó a la conquista de una amplia gama de clientes y proveedores. Por lo tanto, nuestro enfoque principal es la satisfacción del cliente y la garantía de calidad de nuestros productos.

FR

C&A Chama conçoit, développe et produit des équipements de biomasse.

Issue d'une expérience de plus de 20 ans dans le secteur, elle se réinvente en 2016 et crée une nouvelle unité industrielle dans la région d'Aveiro. Les connaissances approfondies, alliées à l'énorme investissement dans l'ensemble du processus de production, nous dotent d'une plus grande autonomie, efficacité et rapidité.

La reconnaissance du marché a mené à la conquête d'un large éventail de clients et de fournisseurs. Ainsi, notre principal intérêt est la satisfaction du client et l'assurance de la qualité de nos produits.

EN

C&A Chama designs, develops, and produces biomass equipment.

Coming from an experience of more than 20 years in the sector, it reinvents itself in 2016 and creates a new industrial unit in the industrial area of Aveiro region. The in-depth knowledge, combined with the enormous investment in the entire production process, gives us greater autonomy, efficiency, and speed.

Market recognition has led to the conquest of a wide range of customers and suppliers. Thus, our main interest is customer satisfaction and quality assurance of our products.

O compromisso da **C&A Chama** centra-se na garantia sistemática da qualidade dos seus produtos e é com esta visão de futuro, profissionalismo e trabalho diário de uma equipa multidisciplinar, que se propõe satisfazer as necessidades dos clientes e assumir uma posição diferenciadora no mercado.

A **C&A Chama** exporta para mais de 10 países, sendo os principais, Espanha, França, Bélgica, Luxemburgo, Alemanha, Grécia, Chipre, Líbano, Irlanda, África do Sul e Brasil.

El compromiso de **C&A Chama** se centra en la garantía sistemática de la calidad de sus productos y es con esta visión de futuro, la profesionalidad y el trabajo diario de un equipo multidisciplinar, que se propone satisfacer las necesidades de los clientes y asumir una posición diferenciadora en El mercado.

C&A Chama exporta a más de 10 países, siendo los principales España, Francia, Bélgica, Luxemburgo, Alemania, Grecia, Chipre, Líbano, Irlanda, Sudáfrica y Brasil.

C&A Chama commitment is centered on the systematic guarantee of the quality of its products and it is with this vision of the future, professionalism and the daily work of a multidisciplinary team, that it proposes to satisfy the needs of its customers and assume a differentiating position in the market.

C&A Chama exports to more than 10 countries, the main ones being Spain, France, Belgium, Luxembourg, Germany, Greece, Cyprus, Lebanon, Ireland, South Africa and Brazil.

L'engagement de **C&A Chama** est centré sur la garantie systématique de la qualité de ses produits et c'est avec cette vision d'avenir, le professionnalisme et le travail quotidien d'une équipe pluridisciplinaire, qu'elle se propose de satisfaire les besoins des clients et d'assumer une position différenciante dans le marché.

C&A Chama exporte vers plus de 10 pays dont les principaux sont l'Espagne, la France, la Belgique, le Luxembourg, l'Allemagne, la Grèce, Chypre, le Liban, l'Irlande, l'Afrique du Sud et le Brésil.

Todos os modelos equipados com Kit de Ventilação elétrica cumprem as Diretivas 2004/108/EC e 73/23/CEE, de acordo com as Normas EN 60335-1:2002 e EN 60730-1:2002 que autenticam a segurança na utilização de equipamentos de aquecimento.

Todos los modelos equipados con el Kit de Ventilación eléctrico cumplen las Directivas 2004/108/EC e 73/23/CEE, según las Normas EN 60335-1:2002 y EN 60730-1:2002 que autentican la seguridad de utilización de los equipamientos de calentamiento.

A certificação de todos os equipamentos segundo as normas EN 13229, EN 13240 respetivamente significa que a eficiência energética dos nossos equipamentos e segurança para o utilizador são direitos salvaguardados do nosso cliente.

La certificación de todos los equipos conforme a las normas EN 13229, EN 13240 respectivamente significa que la eficacia energética de nuestros equipamientos y seguridad para el usuario son derechos salvaguardados de nuestro cliente.

Tous les modèles équipés d'un kit électrique de ventilation conformes aux directives 2004/108 / CE et 73/23 / CEE, selon la norme EN 60335-1 Normes: 2002 et EN 60730-1: 2002 qui authentifient à la sécurité dans l'utilisation des appareils de chauffage.

All models equipped with electric ventilation kit comply with the Directives 2004/108 / CE and 73/23 / EEC, according to the Standards EN 60335-1: 2002 and EN 60730-1: 2002 which authenticate the safety in the use of the heating equipment.

La certification de tous les équipements selon les normes EN 13229, EN 13240 respectivement signifie que l'efficacité énergétique de nos équipements et de la sécurité pour l'utilisateur sont droits sauvegardés de notre client.

The certification of all equipment to EN 13229, EN 13240 respectively means that the energy efficiency of our facilities and security for the user are rights protected from our client.
